70/19 MATTERS ARISING NOT COVERED BY THE AGENDA

None

71/19 NEIGHBOURHOOD PLAN

Councillors had taken a look at Appleby's Neighbourhood Plan and were undecided whether it would be beneficial to produce a plan for Roxby Parish.

HMC pointed out that it was a mammoth task with many processes which had to be worked through. There had been some Appleby councillors involved but a separate group from the council had mainly worked on their plan. When it was completed, they'd had to hold a referendum for it to be accepted by more than 50% of residents. After discussion. it was decided to leave the item on the agenda for further consideration.

72/19 DOGFOULING

Further to the recent incident of the overflowing dog bin on South Street. The owner of the property where the bin was situated had put a notice on the bin asking people to take dog bags home if the bin was full. She had also said she would write to N Lincs Council to have the dog bin removed from her property if the problem persisted.

RL reported that he had moved three bags of dog waste from his garden that week.

There had been a lot left on West Street but fortunately it had been removed. PF had walked around the village earlier in the day and hadn't seen any.

PD said it wasn't a problem in Dragonby as residents sorted it out themselves.

73/19 VILLAGE IMAGE

- i) Winter in Bloom Grant - Planters: The clerk had completed a monitoring report which she had sent back to N Lincs Council and included some photos of the planters. PF and CW were attending an event at Normanby Hall at 3.30 pm on Friday 26th July to receive the certificate for the North Lincolnshire Winter in Bloom grant.
- ii) The bus shelter roof was still awaiting repair. ACTION: CW and RL would organise the repair.

74/19 LANDFILL SITE

PF and CW would be attending the September meeting. There had been reports of bad smells from the site recently. RL said he had witnessed, on at least 3 occasions, early in the morning on his way to work, when lorries were queuing to get in the site. On one occasion there had been 11 lorries. It was dangerous and difficult to pass them as there were no passing places. ACTION: PF would bring it up at the September liaison meeting.

75/19 PLAYING FIELD

- i) CW had cleared the weeds from paths.
- ii) RL had repaired the bushes on the new swings.
- iii) There was a poor weld on the outer leg of the basketball goal post which needed redoing. It was decided the best option was probably to take it down.
ACTION: HMC said she would find out if there were any grants available for equipment.

RL asked if anything had been done about the gateway to the public footpath down to Risby Warren on Warren Lane, which was blocked by muck and debris washed off the fields. ACTION: At the May meeting IG had offered to find out who the footpath belonged to. Deferred to the next meeting.

PF questioned the 2 cheques for the HMRC. The clerk explained that VANL provided payroll services but did not make payments on behalf of Roxby-cum-Risby Parish Council. They sent an email to the clerk each month showing the net payment and employee tax. The wage slips and reports for Roxby-cum-Risby Parish Council were attached. It was the responsibility of the clerk/responsible finance officer to send payments to HMRC. VANL had provided an Employer payment booklet and the clerk took the paying in slips with the cheques to the bank to make payment.
