

The Remembrance Sunday service was held at St Mary's Church on 13th November 2022 at 12:00pm.

It was well attended and good to see both new and familiar faces. The British Legion and Mrs Elaine Southern conducted an excellent service to remember those who gave their tomorrow for our freedom today.

Poppy wreaths and crosses bearing the names of each of the fallen servicemen were laid. A splendid poppy display provided by Roxby WI adorned the tower wall showing red poppies for the fallen servicemen and purple for the fallen seice animals.

Thank you to Barbara Abbey and the ladies for providing the church displays. Also, Dave Farmery who made the soldier figures and Spitfire.
